SimuRide Home Edition

EN The SimuRide Home Edition is a 3D car simulation that allows students drivers to practice driving from their own computers. The SimuRide does not require gas or maintenance and features weather options including fog, rain or snow. Accompanied by any PC steering wheel and pedal set, your own feedback on laptop computer becomes a safe and realistic environment to practice everything from emergency road exits, to parallel parking. SimuRide also offers feedback on driving performance for drivers and parents to review. This program supports both right-hand and left-hand driving environments.

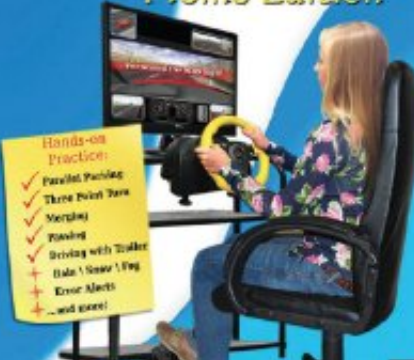

ES El SimuRide Home Edition es una simulación de manejo que permite a los usuarios de computadoras practicar desde sus propios computadores. El SimuRide no requiere gasolina o mantenimiento y se puede manejar en día o en la noche, en la ciudad o en el campo. Por su diseño en volumen y pedales, cualquier juego de volante o sus computadores de mesa o en una pantalla, al momento de practicar manejan en un ambiente realista y seguro. El SimuRide también ofrece retroalimentación sobre el desempeño de los conductores y padres a revisar. Este programa soporta tanto manejo a la derecha como a la izquierda.

FR Le SimuRide Home Edition est une simulation de conduite à trois dimensions qui permet les conducteurs à l'aise de pratiquer la conduite sur leur ordinateur personnel. Le SimuRide ne exige pas de gas ou l'entretien; il peut être conduit le jour ou la nuit, dans la ville ou en pleine campagne. Par son design en volume et les pédales, le jeu offre un environnement de conduite réaliste et sûr. Le SimuRide offre également des commentaires de performance de conduite pour les conducteurs et les parents à consulter. Ce logiciel est compatible avec les jeux de volant et les jeux de pédalier.
